

Consideration for
Enrollment for 2020-21 school year
ESC PRESCHOOL – Urbana, Mechanicsburg
West Liberty-Salem (Champaign County residents only),
& Triad school districts

First step: developmental screening

Bring your preschool-age child (34 months – 5 years) for a free screening conducted by an early childhood specialist.

Your child's development may be screened in these areas:

Gross Motor Skills Self-help skills Speech

Fine Motor Skills Learning skills

Social and behavior skills

Call 653-5214 for WLS, Urbana and Mechanicsburg appointments

Call 826-0898 for Triad appointments

For an appointment and list of documents required
to complete screening

If tuition is charged, it will be based on a sliding fee scale
